

**The Department of History of Science and Technology
of the University of Wuppertal**

is seeking

a Student Assistant with a bachelor's degree (WHF)

to start no later than October 1, 2026

for a fixed term of 12 months

(up to 10 hours per week)

The position is part of the DFG-ANR project “EUCLIDES - A History of Cross-Cultural Transmissions, Translations and Transformations of the Elements” co-directed by Dr. Angela Axworthy

Possible responsibilities:

- Help with the implementation of the digital platform on the modern tradition of Euclid's *Elements* (transcription, cataloging, and metadata entry; normalization of texts and metadata)
- Help with the use of digital tools for visualizing image data.

Hiring and working conditions:

- The student assistant must be immatriculated at a German university, have a bachelor's degree, but not yet a Master's degree (or equivalent).
- The work requires a good command of English.
- The work is to be conducted remotely.

Please send your application with the standard documents (cover letter, resume, academic transcript) via email to:

Dr. Angela Axworthy
axworthy@uni-wuppertal.de

Applications will be accepted until 21. August 2026.
